**AN ASSOCIATION ON THE WAY UP . . . .**

Since this sale was established much has been accomplished to promote the breed in this area. In our sales, 150 cattlemen from six states have purchased. Naturally, a large share of the cattle have stayed in this area . . . to expand breed numbers. Top new purebred herds have been formed . . . and the older breeders, spurred by the opportunity of having a good sale twice a year for consignments, have greatly improved their own herds. Without question, some of the breed's outstanding Shorthorn and Polled Shorthorn sires are in service in the herds of Tri-State members.
